

To EVERGREEN CEMETERY ASSOCIATION OF NEW HAVEN AND CREMATORY:

I desire to send the cremated remains of _____
to _____
via U.S. Postal Priority Mail Express with \$100 insurance and return receipt, and I hereby appoint you as my agent to ship said cremated remains in my name as consignor, and authorize you to sign my name to all papers in connection therewith.

It is fully understood that the Association's services have been fully completed at the time the cremated remains leave the crematory, and the shipping as above directed is my act as principal and at my risk. Any services Evergreen Cemetery Association of New Haven may render in connection therewith are as my agent only, and for my accommodation.

Some heart pacemakers can be dangerous when placed in a cremation chamber. If the crematory does not receive proper notice, the family shall be held responsible for any damage resulting, and the crematory will not accept any liability under those circumstances. Prosthetic implants will be recycled in an environmentally friendly manner according to Cremation Association of North America mandates.

In the case of an infant or fetal remains, there may or may not be recoverable remains due to weight and size. In the case of no cremated remains, an ID disc may be returned to the family if desired. All recoverable remains are returned with a cremation certificate.
