What will happen next?

Once Beecher & Bennett has been notified of your loved one's passing, a licensed funeral director will arrive as soon as possible. In most cases it takes less than an hour for us to arrive to any location in New Haven County. Your loved one is then transferred directly to the funeral home. A staff member will be dedicated to assisting you and your family, and will contact you to set a mutually agreed upon appointment. From there, our staff will guide you through the entire process, assisting in all arrangements, hopefully making a difficult time easier for you and your family. Please call us if you have additional questions, or need immediate assistance at **Hamden (203) 288-0800, or Meriden (203) 235-4152**, any time of the day or night. We are here to help.
